Ballybar, Co. Carlow

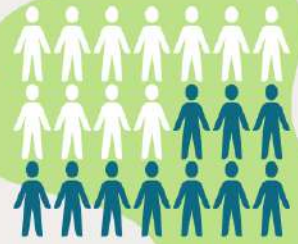

# Milk Replacer Facts

Making Choices Easier for You

### Why More People Are Buying

Our Members know we have gone to great lengths to get you the best price, in fact; All the way to France and better still without compromising on quality

26%

### 26% Protein is most popular

#### WHY? Because of Quality

It is a super premium brand for rearing replacement heifers

0%

### Advantages of 0% Fibre

Reason it is such good quality milk replacer is: it contains 0% of fibre level  
All protein is milk based  
Calves stomach won't readily digest plant based protein for 5-6 weeks

### Price Perfect & More

- Save 8c per ltr over whole milk
- No Antibiotic Resistance
- Ideal for automatic feeders
- No Disease Passes from Mother

### Price Rise Due in Mar

### Buyrite Delivers Quality Matched with Price

We have partnered with you and secured super premium products at excellent price

We are doing our best to push prices down consistently to continue to get **Real VALUE** for Money

**Order the remainder** of your season's milk replacer today and avoid additional costs

**Extended Credit**  
**Terms for 2 Months!**  
**Payment due on 24th May**
