**Tom Maher - Limerick**

Buyrite Solutions Member

I love the convenience ,  
My order is delivered my  
door within a few days,  
and I love that I can  
actually talk to someone  
who knows what they are  
talking about . Price is  
important but not the  
biggest thing for me.

### 26% Protein is most popular

#### WHY? Because of Quality

It is a super premium brand for rearing replacement heifers

### Price Perfect & More

- Save 8c per ltr over whole milk
- No Antibiotic
- Ideal for automatic feeders
- No Disease Passes from Mother

### Advantages of 0% Fibre

Reason it is such good quality milk replacer is: it contains 0% of fibre level  
All protein is milk based  
Calves stomach won't readily digest plant based protein for 5-6 weeks

### Buyrite Delivers Quality Matched with Price

We have partnered with you and secured super premium products at excellent price

We are doing our best to push prices down consistently to continue to get **Real VALUE** for Money

**Order the remainder** of your season's milk replacer today and avoid additional costs
